

Maximise, prioritise, revitalise!

HTC P4350

Heralding a new era of mobile on the move!

The HTC P4350 is a stylish, Quad-band PDA phone which will keep you connected almost anywhere through Bluetooth®, GPRS or Wi-Fi®. With the convenience of instantly synchronised Outlook email, contacts and calendar through Microsoft® Windows Mobile® 5.0 Direct Push and Pocket MSN® connecting you to your Hotmail® and MSN® Messenger you can be in touch wherever you are.

When doing business, manage your Word, Excel® and PowerPoint® documents on the go and the full auto-sliding keyboard makes editing a breeze. If you just want to relax, enjoy your music and video through Windows Media® Player, enhanced with Stereo Bluetooth® wireless sound quality.

Enjoy a "smart" life with the new HTC P4350.
