

HP Pavilion 23xi 58.4 cm (23") Diagonal IPS LED Backlit Monitor

Room to play and stunning visuals

Share photos, videos, and games with everyone in the room and experience the same great views from almost any angle on the all new HP Pavilion 23xi 23-inch IPS LED Backlit Monitor. Incredible performance, vivid colors, and smart HP My Display software sweeten the deal.

Less distortion. Less blurring. Happy spectators

In-plane Switching (IPS), the color-rich technology you know and love in tablets, mobile devices, and televisions, is now available in a micro-thin display designed for the home. That means image and color consistency from almost anywhere in the room.

Beauty and brains

Modernize your home desktop with a contemporary, bezel-less design that delivers maximum views of all your favorite images and on-screen content. Save space in style, too. The unique, micro-thin profile fits virtually anywhere without taking up valuable space. Do more with a dual-monitor setup enabled by the smart, plug-and-play design. Stay connected to current and evolving devices with built-in VGA, DVI, and HDMI inputs (with HDCP).

Jaw-dropping details

Bring your memories to life with eye-popping details. HP Enhance+ delivers super-crisp images and advanced noise reduction. Enjoy a crisp, detailed view with Full HD¹ 1920 x 1080 resolution and 10,000,000:1 dynamic contrast ratio.² Give your photos, videos, and online games³ more depth and see the difference with deeper blacks and whiter whites.

Software that simplifies

Control power-saving modes and customize screen settings with integrated HP My Display software, which also lets you partition your screen so you can work with multiple open application windows at the same time.

HP on your side

Help reduce your power consumption and cut back on energy costs with an intelligent, energy-efficient design built with the environment in mind. Mercury-free LED backlighting, a BFR/PVC-free design⁴, arsenic-free display⁵ glass, and recyclable packaging are just a few of the responsible details built right into your display.

¹High definition (HD) content is required to view HD images.

²All performance specifications represent the typical specifications provided by HP's component manufacturers. Actual performance may vary either higher or lower.

³Internet access required and sold separately.

⁴Meeting the industry definition of 'BFR/PVC-free' per the iNEMI Position Statement on "Low Halogen" Electronics. Plastic parts incorporated into the chassis generally contain < 1000 ppm (0.1%) of bromine or chlorine. Printed circuit board and substrate laminates generally contain < 1500 ppm (0.15%) of total bromine and chlorine. Service parts after purchase may not be BFR/PVC-free. External accessories, including power supplies, power cords, and peripherals are not BFR/PVC-free.

⁵Arsenic and its compounds were not detected using U.S. EPA test methods 3052/6010b by ICP-AES with a MDL 10 ppm.

HP Pavilion 23xi 58.4 cm (23") Diagonal IPS LED Backlit Monitor

Display Size	58.4 cm (23")
Aspect Ratio	Widescreen (16:9)
Display type	IPS
Pixel pitch	0.265 mm
