Product highlights

Adjustable Comfort level

No matter how you like to 'feel' your headphones, this unique headband construction will always provide you with a personalised, comfortable fit. With height adjustment, you can comfortably wear the headphone for a much longer period.

Adjustable microphone

This easily adjusted boom will make sure the microphone is always optimally positioned to pick up your voice.

Excellent sound quality

Acoustically tuned design and high quality drivers ensure best in class audio performance.

Ultra-lightweight design

The slim, lightweight stainless steel headband is so light you'll hardly notice you're wearing it.

Noise canceling mic

Uni-dimensional mic design to eliminate the unnecessary background noise to ensure clear voice transmission.
