# Data sheet: WL-032

## ADVANTAGES:

Better range

+30%

Less dead spots

Standard antenna Sitecom Omni Antenna

Product code	WL-032
Product name	Wireless Network Omni Antenna 7dBi
EAN code	8716502010646
Qty. masterpack/carton	5/20
Giftbox dimension	341(W) x 141 (H) x 84mm (D)

This 7dBi omni directional antenna enables you to very easily extend the range of your wireless network. By linking the Omni Antenna to your wireless router, you gain the benefits of an optimum wireless signal while minimising the number of 'dead spots' (points in your home where the signal is either weak or lost). The Omni Antenna can be easily wall-mounted, for maximum positioning for reception anywhere in your home.

### Features

- High gain: 7 dBi
- High performance
- Low profile
- Smart and elegant style
- 270° Tilt-and-swivel design for best reception
- Versatile Mounting Design
- Light-weight

### System Requirements

- One Wireless Device with an external Antenna connector
- Connector Type : Reverse SMA Female Jack

### Package Content

- Hi-Gain Wireless Omni Antenna with Cable and Reverse SMA Connector 1 Set
- Wall Mounting Screw & Wire Organizing Bracket 1 Set

### Electrical Specifications

- |                         |  |
|-------------------------|--|
| • Antenna Type          | 2.4GHz 7 dBi Indoor Omni Antenna                         |
| • Frequency Range       | 2.4 ~ 2.4835GHz  |
| • Network Specification | IEEE 802.11b , IEEE 802.11g , Wireless 2.4Ghz Network    |
| • Gain                  | 7 dBi  |
| • V.S.W.R               | < 1.5  |
| • Beam Width-H Plane    | 360°   |
| • Beam Width-E Plane    | 40°  |
| • Polarization          | Vertical (Linear)  |
| • Input Impedance       | 50 Ohms  |
| • Connector             | Reverse SMA Male Plug                                    |
| • Cable                 | RG178 , Length : 100 CM                                  |
| • Mounting              | 270° Degree Adjustable Stand , Wall Mount or Table Mount |
| • Operation Temperature | -20°C - + 70°C   |
| • Storage Temperature   | -30°C - +85°C  |
| • Humidity              | 95% maximum (non-condensing)                             |
