

# Elite 372

RC-372-KKN1

**Elite 372** is built for general desktop users and delivers high-end features that create opportunities for several upgrade paths while keeping the Elite 372 in an affordable market segment. Encased in a stylish shell, Elite 372 also offers efficient cooling via an ideal filter and ventilation layout. The roomy interior can contain long graphics cards such as AMD Radeon HD 5970. Additionally, Elite 372 comes with the front I/O panel, and tool-free design for quick assembly and easy maintenance.

## Features

- Outstanding cooling performance by vents at top, bottom, and side panel
- Tool-free design for quick assembly and easy maintenance
- Front I/O panel for easy access
- Compatible with Micro-ATX and ATX
- 7 expansion slots for flexibility of graphics card solutions
- Supports long graphics cards, including AMD Radeon HD5970
