

HP Wireless Mouse X3300 (White)

Sleek, smart freedom from the word go

This is about to become your favorite go-to mouse. It's sleek size travels light. Strong 2.4GHz wireless connection gives you lots of freedom. The 4th button is programmable. And, it works perfectly with Windows® 8.

Instant wireless gratification

No drop outs. The strong 2.4GHz frequency achieves a reliable connection. The 9 meters (30ft) roaming range gives you the freedom to work anywhere. But the best part of wireless? Never tug or fight another cord again.

Performance-ready productivity

Get more done - and have fun doing it. 4th button is programmable for your needs. Windows® 8 4-way tilt scrolling moves you everywhere - right, left, up & down. Plus, highly precise optical sensor works almost everywhere.

Trail-blazing HP Link-5 technology

Save valuable USB port space. Boost convenience. The HP Wireless Mouse X3300 connects 5 compatible devices all at the same time.² With just 1 nano receiver, pair this mouse, then add 4 more accessories.
