

Elite 120 Advanced White

RC-120A-WWN1

The Elite 120 Advanced White is an ultra compact case with support for full size high-end desktop components. Other than conventional Mini ITX cases, the Elite 120 Advanced White supports more affordable, quiet, efficient and easily available full size ATX PSU's. It can accommodate even the largest ultra high-end VGAs, a 5.25" optical drive and up to 5 HDDs or SSDs. Thanks to a smart airflow system featuring 3 fans it manages to still keep the system cool and quiet. Topped off with a stylish brushed aluminum front, this is a compact case you don't want to hide...

Features

- Unprecedented airflow for a Mini-ITX case
- 1/3 the size of a standard case
- Supports standard length ATX PSUs
- Supports ultra high-end graphics cards, such as AMD HD7990 and NVIDIA GTX690
- Stylish aluminum front panel and elegant white coating
- USB 3.0 Super Speed Support
- Features a full size 5.25" drive bay
- Supports up to 3 HDDs and 4 SSDs (converted from two 3.5" drive bays) for great expandability
