

HP Wireless Display Adapter

Share your content with the whole room by sending it wirelessly from your notebook, tablet or smart phone to a display or projector with the HP Wireless Display Adapter with your choice of wireless technology.

- Simply plug the HDMI dongle into the projector or display, or use the handy included HDMI-to-VGA adapter in legacy environments, then power the dongle from your notebook or an AC adapter with the included USB cable.
- Use Intel WiDi or Miracast to project content from a compatible tablet, notebook or smart phone. If Intel WiDi or Miracast are not available, use Presentation mode to wirelessly project screen or Web content onto a monitor or projector.
- Use the compact adapter in and out of the office. The dongle, cable, HDMI-to-VGA adapter, and AC adapter fit into a compact pouch that you can store alongside your notebook, tablet or smart phone for on-the-fly presentations in and out of the office.
- Get the reassurance of a one-year part replacement limited warranty.
